Custom Capabilities

Select from our full Marlite Finish Palette at www.marlite.com or create your own finish. Simply submit a laminate chip or swatch of the print pattern/color desired, and we'll send a lab sample match within a few days. (Minimum order requirements and other terms apply.)

**601 Clear Mirrored Acrylic**

764 Crystal Gray

The Marlite Finish is a richly detailed and easy to maintain surface that is more economical than decorative laminates. The base coat, precision coats, print coats and melamine top coat are all applied to the highest quality MDF substrate. Each panel is baked for a durable finish.

Dimensions™ slotted panels

Dimensions is a modular slotted retail wall panel
that can be installed over slatwall. Slotted panels
enhance your retail merchandising space to highlight
areas of your store. Feature merchandise or cover
up existing Slatwall panels for an updated look.
Dimensional separation for merchandise makes
it easier for your customers to recognize
and select their favorite brands.

Standard Sizes:

2' x 2' x ½" Slotted Panels
4' x 2' x ½" Slotted Panels
6' x 2' x ½" Slotted Panels
Custom sizes available.
