Installation. It really is that simple.

Slatwall panels are applied using drywall screws fastened to studs through the groove.

Sizes & Configurations. What makes our panels so versatile.

Horizontal Panel Format:
4’x8’x3/4”, 3” on center Grooves.
Long edges have half groove to facilitate concealed joints and vertical stacking.
Short edges (48”) are square cut.

Vertical Panel Format:
8’x4’x3/4”, 3” on center Grooves.
All edges are square cut.
